## Real Estate Referral Reward Program

Do you know a Home Buyer or Seller in need of a Caring Real Estate Professional in White Rock, South Surrey, Cloverdale or Langley?

Simply let them know about me and my services and if they choose to work with me, I will reward YOU with **\$1,000** upon the successful closing of their purchase or sale.\*

**1 Mention me.** Is someone you know thinking about buying or selling a home? They might be a family member, a friend, a colleague or just an acquaintance... If so, let them know about me and my Real Estate services then visit [REBucks.ca](http://REBucks.ca) and submit the form at the bottom of the page and you're done. It's that simple!

**2 Introduction.** Choosing a Real Estate Agent is an important decision. Your family member or friend will be working closely with me and they'll want to feel confident that their best interests and needs will be fully met. I'll meet with them first to present my services and also discuss their Real Estate goals.

In addition to you receiving a reward, your family member or friend will receive a letter from Canuck Place Children's Hospice letting them know that a donation was received as a result of the purchase or sale of their home.

**3 Working together.** When your family member or friend decides to work with me, they can expect good old-fashioned hard work and genuine care and compassion every step of the way. When the work is done and their home purchase or sale is "complete", the REBucks referral payment requirement is fulfilled.

**4 Success and Appreciation.** Within days of the successful "completion", a reward cheque will be made available to you by HomeLife Benchmark Realty Corp. ("completion date" is the date the property is transferred, and then the money for the purchase is transferred from the buyer to the seller).

\*Receive \$1,000 when the family member or friend that you refer me to successfully closes on the purchase or the sale of their home and the final sale price is \$500,000 or more. If the sale price is less than \$500,000, a referral reward equivalent to 0.2% of the final sale price will be given. Example: Sale price of \$250,000 earns a referral reward of \$500.

Referral Reward must be disclosed to and agreed upon by the referral client otherwise it cannot be given.
